

## 2024's Business Pawtner Program

Windham County Humane Society’s **Business Pawtner Program** is a unique combination of marketing and event recognition designed to ‘fetch’ community-minded consumers who value companies like yours- businesses that strive to keep the place we live vibrant and humane.

WCHS transforms the lives of animals and those who love them through lifesaving programs that find animals homes, serve animals and people in times of crisis and prevent future pet homelessness.

### Pawtners' benefits are year-long!

This means your company is featured multiple times and can connect with WCHS’s donors, adopters, and supporters through event recognition, coverage in weekly emails, mentions on Facebook, inserts in adopter and clinic client packets, or by attending an event.

Hurry and sign up today! We are excited to work with you!

Every life aided, saved, and loved began with you!
